## More Than Just a Baby Monitor

Innovation and inspiration never stop at Hubble Connected, which is why we are thrilled to debut Nursery View Premium, the newest addition to the most exciting line of products on the market. This reliable, 5" Video Monitor is a nursery essential that demonstrates how Hubble Connected products are more than just baby monitors.

Take the complimentary parent unit anywhere in your home, afforded by an impressive 1000ft/300m range, and never lose crystal-clear picture of your little one even in the dark with Infrared Night Vision. You can also digitally pan, tilt, and zoom for the perfect angle of your sweet baby. The high sensitivity microphone detects the faintest noise, while with two-way talk, you can sooth your infant with the familiar sound of your voice.

Hubble Connected products are no longer just for parents. Nursery View Premium comes equipped with preinstalled lullabies and soothing sounds. And with room temperature tracking, your baby will always feel safe and comfortable.

Subscribe to the HubbleClub App for access to even more incredible features, including expert sleep advice, parenting tips, and our Baby Growth and Development Tracker.
