Liberate your life and your music

Pioneer's C4 wireless headphones offer a feast of features. Outdoors, commuting, or chilling out, they immerse you comfortably in a bass-rich world where vocals shine with pure vibrancy. You're in control even when you can't reach your phone with Pioneer Notification App for Android™, which reads out SMS and more hands-free. Control music playback, make and receive calls, or ask your phone assistant for help via simple remote attached to a durable ϕ 2.0 mm ($3/32$ ") cable. You can even pair two phones to your C4s at the same time.

Rich, high-quality sound from a compact body

The C4's sensitive ϕ 8 mm ($5/16$ ") rare-earth-magnet drivers increase audio resolution, deepen bass, and clarify high- and mid-range sound. Ear Direct Mount Structure aligns driver and nozzle directly into the inner ear for improved bass response, sound isolation, and fit.

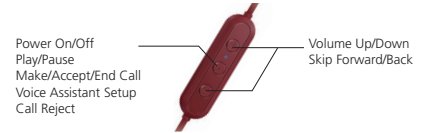

Large ϕ 8 mm ($5/16$ ") rare-earth-magnet driver

Ear Direct Mount Structure has an angled nozzle and driver that aims directly into the ear.

Inline remote puts you back in control

Three buttons and mic put you in control of music and life, changing volume, skipping songs, making calls, and enabling smartphone voice-assistant functions. Perform a range of tasks using large buttons and your voice.

Multi-point Function pairs two phones

Multi-point Function lets you connect two smartphones at once. Take calls with one phone and listen to music with another. An easy-to-manage solution for people with work and private phones.

Exclusive Pioneer Notification App

Pioneer Notification App for Android™ reads out text-based notifications such as SMS, which is great if you can't reach your phone right away. Configure the app to read breaking news, email, calendar updates, and more.

Voice interaction at the touch of a button

Stay wirelessly connected to phone calls and smart assistants by voice. A single button activates the mic so you can chat on the phone hands-free and ask Siri on iPhone or the Google Assistant for help without touching your phone.

Listen longer, charge faster

Efficient battery offers a maximum 6 hours playback with every 1.5-hour recharge. Take music wireless without battery worries.

SOUND QUALITY

- › Large high-sensitivity ϕ 8 mm ($5/16$ ") rare-earth-magnet drivers
- › Deep bass and clear mid- to high-range audio reproduction
- › Ear Direct Mount Structure improves sound clarity and immersion
- › Enclosed dynamic driver housing insulates against noise
- › Three silicon earphone-tip sizes included (S/M/L)

CONVENIENCE & COMFORT

- › Inline remote control with mic for hands-free phone conversation
- › Make/take/end call, volume, play/pause, skip forward/back controls
- › Single-button access to smartphone voice assistants via microphone
- › Multi-point Function connects two phones simultaneously
- › Approx. 6 hours playback and 1.5-hour recharge via Micro USB cable
- › Supports Pioneer Notification App exclusively for Android™ devices

INDUSTRIAL DESIGN

- › Unified color scheme for bodies, earphone tips, and cable
- › Available in a choice of four unified color-schemes
- › Thick, durable, tangle-resistant ϕ 2.0 mm ($3/32$ ") cable
- › Lightweight, compact, and comfortable for freedom of movement

SPECIFICATIONS & ACCESSORIES

- › Transmission method: Bluetooth® Ver. 4.2
- › Output: Bluetooth Standard Protocol Power Class 2
- › Transmission distance: Up to 10 m (32 ft.)
- › Frequency used: 2.4 GHz (2.4000 GHz–2.4835 GHz)
- › Modulation: FHSS
- › Supported Bluetooth profiles: A2DP/AVRCP/HFP/HSP
- › Supported codecs: SBC
- › Multi pairing: Max. 8 devices
- › Power source: DC 3.7 V rechargeable lithium-ion battery
- › Battery time: Max. 6 hours with continuous connection (including audio playback)
- › Charging time: Approx. 1.5 hours
- › Type: Fully enclosed dynamic headphones
- › Driver: ϕ 8 mm ($5/16$ ") dynamic driver
- › Frequency response: 10 Hz–20 kHz
- › Weight: 13 g (0.46 oz.) including battery pack
- › Supplied with S/M/L silicon earphone tips and micro USB cable

Package dimensions (W x H x D):

85 mm x 168 mm x 38 mm (3 11/32" x 6 5/8" x 1 1/2")
